

PINEVILLE

NEIGHBORS PLACE

*The mission of Pineville Neighbors Place is to **connect** our neighbors affected by poverty and homelessness to available services, **empower** our neighbors to make life sustaining choices, and **unify** the community of Pineville.*

We're Back!

We've been out of touch for the last few months due to family illness and death. But we're back and ready to follow God's leading. Thank you for your continued prayers!

Potato Drop

Potato Drop 2016 was incredible! Thanks to so many volunteers from so many different churches! We were able to package and distribute 37,000 pounds of potatoes to local food pantries, soup kitchens, families at Pineville Elementary and Sterling Elementary, and other members of our community. We plan to do this again this fall.

Shop With a Cop

In December it was an honor to partner with the Pineville Police to help families from Pineville Elementary. We reached almost 100 people with gifts and food for the Christmas season. Special thanks to so many businesses who gave generously to make this event possible!

Mission Thrift Store

I hope you visited The Mission Thrift Store at 300 South Polk Street, Pineville. The proceeds support American Leprosy

Missions. If you donate, be sure to note at the bottom of the receipt which church you attend. They will give your church a percentage based on your donation on a gift card that you can give to our neighbors who need clothes. Or you can designate "Pineville Neighbors Place" and we can use the gift cards.

Partnership with Crisis Assistance

We are trained to do referrals for aid from [Crisis Assistance](#). If you know someone who is in immediate need of help with rent or utility bills, they can contact Jane at the email or phone number below. We will set up an appointment to meet them and do an interview.

Office Space Needed

Please join us in prayer as we search for the space where God wants to house Pineville Neighbors Place. We would like to have space for:

- ⇒ Office for meeting with neighbors
- ⇒ Classroom space/computer lab
- ⇒ And room for more!
