# NEIGHBORS PLACE

The mission of Pineville Neighbors Place is to **connect** our neighbors affected by poverty and homelessness to available services, **empower** our neighbors to make life sustaining choices, and **unify** the community of Pineville.

March, 2018

## So Much Need

January 2018 was a bitter cold month that blitzed electric and gas bills for many of our neighbors. Individual increases of between \$100 and \$150 were more than several could handle. Consequently, 18 new clients turned to Pineville Neighbors Place for that little bit extra. Thanks to your generous contributions and funds from Crisis Assistance Ministry, we helped 16 of those new clients keep their electric and gas connections.

If you know someone who needs immediate help with their rent or utility bills, please ask them to contact Jane at the email or phone number listed on page 2. She will schedule an appointment and interview.

## March Madness

The teachers at Sterling Elementary do not have a PTA to support them, so we are planning a day of surprises on Thursday, March 15th.

March can be a long month without breaks, so we thought some treats would brighten up their day. If you or your small group would like to donate home-baked treats, please contact Jane.

## Office Space Needed

Please join us in prayer as we search for the space where God wants to house Pineville Neighbors Place. We would like to have space for:

- ⇒ Office for meeting with neighbors
- ⇒ Classroom space/computer lab
- ⇒ And room for more!
