

# PINEVILLE NEIGHBORS PLACE

The mission of Pineville Neighbors Place is to **connect** our neighbors affected by poverty and homelessness to available services, **empower** our neighbors to make life sustaining choices, and **unify** the community of Pineville.

June, 2018

## Pineville Neighbors Has a PLACE!!!

Pineville Neighbors Place is now renting the house at the corner of Industrial Drive and North Polk Street. This will give us office and classroom space as well as room for a food pantry and other storage. Before we can open, it needs some tender loving care (and some brute force demo!) Work days are scheduled for June 2, 9 and 16. Each day will begin at 8 am. You can come when you can and stay as long as you can. There will be something for all skill levels: cleaning, washing windows, laying floor, painting, outside clean up and more. Please [sign up here](#) so we know what day you are coming. Bring tools for whatever job you want to perform.

### SO FAR IN 2018

On Tuesday, May 22, over 100 families received groceries (including fresh produce) as a result of a partnership between BB&T, Second Harvest Food Bank, Pineville Neighbors Place and Sterling Elementary. A grant from BB&T Lighthouse Project funded the effort. Thank you BB&T for your partnership in helping make the Pineville community a better place for everyone!

Our friend, Morry Alter, made a video of the project. [Watch it here.](#)
